	4X44F	

FEATURES:

HexArmor® sets the industry standard for needle protection with solutions for a variety of applications. Our needlestick-resistant products do more than pass industry-accepted testing methods; we put them through real-world applications countless times, with a history of undeniable success. The accepted standards of testing do not account for the many variables employees face on the jobsite, so we created our own tests, mirroring the conditions and hazards that our users face.

ATTRIBUTES:

Style:	Needlestick-resistant
Grip:	Dry or light oil
Cuff Style:	Elastic
Sizes:	6/XS through 10/XL
