

## Garment Care

Please read the care instructions provided on garment labels before washing. Follow these instructions carefully to maintain the good appearance and life of the garment.

### General advice:

- Wash dark and light colours separately. Colour can rub off onto other garments if washes are mixed.
- Keep garments with different fibre content separate when washing.
- Wash garments frequently to prolong their life - avoiding heavy soiling.
- Follow tumble drying instructions carefully as per the symbol on the care label.
